Paparoa Hotel was first established in 1956 by the bend in the river  
on the new State Highway.

The hotel has been owned by the Goode family since 1971.

Pam first came to Paparoa when she was eight, walked bare-foot to the local  
primary school and kept her horse in the back paddock.

Our menu is inspired by cuisines from around the world, is full of surprising  
flavours and is fresh and delicious. We use locally sourced seafood and local  
produce and in particular Ruawai Kumara and locally grown watercress, citrus  
and have our own kitchen garden for fresh herbs.

The beautiful Kaipara Harbour, just minutes away provides us with fresh  
Flounder and Oysters.

*Enjoy!*
